

Dear Mr. Garbow,

Regarding EPA file 11R-14-R4, please investigate the discrimination faced by communities of color in North Carolina and ensure the hog industry will no longer be able to take advantage of people of color.

As a concerned citizen, I think people should have more say in what happens in their communities. It's about time for someone to speak up to special interests like the pork industry!

Sincerely,

Re: EPA file 11R-14-R4

Dear Mr. Garbow,

Please see the attached petition asking the Environmental Protection Agency to investigate the discrimination faced by communities of color in North Carolina and ensure the hog industry will no longer be able to take advantage of people of color.

The NC Conservation Network has collected 1,573 electronic signatures from North Carolina residents who agree with the language of this important issue. The enclosed includes the petition language and signees' names and addresses.

Thank you for your time and please let me know if you have any questions or need additional information. Your attention to this matter is appreciated.

Sincerely,
